

Yeast and Salt

May 5, 2013

Gen 11:1-9

Ideas in Pairs

Some things are hard to explain

Sometimes need to say two things at once

Yeast

Matt 13:31-34

Starts Small; Grows; Shelters; Permeates

God Wants ...

His people to permeate the entire world

He has ALWAYS wanted this

Salt

Matt 5:13-16

Salt preserves, flavours, makes thirsty

But – Second Idea

Possible for Salt to not be Salty!

God Wants ...

His people to be influencing – for GOOD

He has ALWAYS wanted this

Yeast and Salt

Permeate the World

But not infected by the World

Different from the World

But not disconnected from the World

Work

Two Questions:

Where are you “yeast”?

What are you doing to stay “salty”?
