Mark 16

## Jesus Is Worth It

The "Amazing List"

### The Chill of Recognition

**If Jesus had died ... and stayed dead**

He may have been a remarkable person

But we would never have heard of him

The things said about him would not be true

### The Chill of Recognition

Who is this? What does this all mean?

Jesus deserves ultimate devotion

## Jesus' Way Is Right

**If Jesus had died ... and stayed dead**

His costly way would seem misguided

Noble perhaps, but ultimately not worth it

### The Way of Jesus

He taught it; He lived it; He calls us to follow

This path was ultimately vindicated

## There Is Hope for Everyone

### Hope in the Midst of Suffering

Death will not have the final word

Sin will not have the final word

Suffering will not have the final word

Oppression will not have the final word

### In the Midst of Suffering

But suffering is not avoided

Through suffering, not around it

Jesus and his followers overcame suffering
