# Bible Listening Groups

We will be spending the weeks leading up to Easter looking at John 13-17. As well as hearing about these passages in the weekly sermons, we invite you to try out one of our Bible Listening Groups. All of the groups that meet in a particular week will look at the same passage, and that passage will be the basis of the sermon on the following Sunday. These groups are small, meet for one hour, and require no preparation or homework. They provide a guided time of listening for God in the words of the Bible. Contact Pastor John if you would like to join a group, or if you have any questions.
